

Celebrate Recovery Small Groups

Celebrate Recovery small groups offer support and encouragement to anyone seeking freedom and wholeness in Christ as the one and only Higher Power. Small groups meet weekly and include individuals of the same gender who are struggling with a similar hurt, habit or hang up. Groups are led by trained facilitators and offer a safe place for men and women to be honest about areas where they are hurting or experiencing defeat. Anonymity and confidentiality are basic requirements of the group. As we keep coming back, the Lord extends love and grace through the care we experience from others in the group. Individuals who participate in Celebrate Recovery support groups report that they gain new insights, find freedom from addictive and compulsive behaviours and develop skills for building healthier relationships with themselves, with God and with others.
